Order Denying Motion to Supplement Petition

[ECF No. 6]

10 Petitioner Chester J. Duda has filed a motion to amend or supplement his habeas petition.

11 But Duda has not submitted a proposed amended petition or a statement of additional claims as
12 required by Local Rule 15-1. I therefore deny his motion without prejudice to him filing a new
13 motion for leave to file an amended petition or a statement of additional claims with the proposed
14 amended petition or statement of additional claims attached.

15 Accordingly, IT IS HEREBY ORDERED that Duda's motion to add, amend, or supplement
16 additional claims [ECF. No. 6] is **DENIED** without prejudice. If Duda wishes to file a new motion
17 to amend/supplement, he must do so by **December 21, 2016**, and he must attach the proposed
18 amended petition or statement of additional claims to the motion.

Dated this 21st day of November, 2016.

Jennifer A. Dorsey
United States District Judge
